Re: Notice of File Closure for Small Mining Activities, Amazon #6, S/027/036, Millard County, Utah

Dear Mr. Hodges:

This letter is to notify you that file #S/027/036, for the Amazon project, located in Section 14, T23S, R13W, Millard County, Utah, will be retired from our files.

The BLM informed us that the disturbance at the site was negligible and no reclamation would be required to satisfy their standards. The BLM subsequently closed out their file for this project. Because this project is located on BLM managed lands, we will accept the BLM's recommendation and also close our file accordingly. You are hereby released from any further mining or reclamation responsibility at this site. You will not have to pay the \$100.00 permit fee that was recently sent to you. If you wish to restart any mining in this area, you will have to submit a new notice to the appropriate agency, pay the Division permitting fee, and receive written approval, prior to creating any disturbance.

If you have any questions or concerns regarding this action, please contact me at (801) 538-5321. Thank you for your time and consideration in completing the required reclamation on this project.

Sincerely,

Tom Munson
Senior Reclamation Specialist
